Part 7: “7 STEPS TO SOLIDIFYING PURPOSE”

Lesson Description:

This session is designed to help us understand how **purpose** and **passion** go together. It also is geared to show how purpose is found in doing the will of God. The desired outcome of this lesson is for the students to move from being driven by anything other than purpose and stand on the **promises of God**.

- ❖ Failure to understand the purpose of a thing will always lead to abuse of it.
- ❖ Every invention had an initial intention.
- ❖ Things created with an initial intent can be used for other purposes.
- ❖ It's easy to contaminate intention.
- ❖ We often use people rather than things.
